

If You are a Buyer of Clothing Let us Reason Together.

We have a store to do business---we advertise to get business---and we give honest value to keep business. We've been here for over a year and we expect to be right here for years to come. How are we going to do it? We've got to depend on you---we've got to please you. We plan by day and dream by night to do this. When we have thoroughly satisfied you, then we've made a friend, and you know that friends count. Our customers leave the store only to return again. Last spring's customers are with us this spring, and we're going to serve them and serve you so that you will all be with us next spring and each succeeding spring.

Chamberlain's Stomach and Liver Tablets Better Than a Doctor's Prescription.

Mrs. J. W. Turner, of Truhart, Va., says that Chamberlain's Stomach and Liver Tablets did him much more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. Land For Sale.

The Felix Land & Cattle Co.,

Offers to sell to actual settlers about 1500 acres of the FINEST IRRIGATED LAND IN THE PECOS VALLEY. PRICES LOW. TERMS EASY. Going with the land is a perpetual water right from the Northern Canal. It is also in the Artesian Belt. We have refused to put this choice land into the hands of speculators. We give all purchasers the advantage of bed rock prices. The land speaks for itself. Go and see it. Last year we sold 2500 acres to good farmers who are now cultivating it. About 1000 acres of apple orchards are being planted this spring. More land is being brought under cultivation and other improvements made in the Hagerman-Felix district than in all the Upper Valley. On account of its SOLID MERIT this is the most progressive farming spot in New Mexico. Inquire at the office of the company at South Spring Ranch or of the following.
